Memo No.: 4858

NOTICE

Subject: Mandatory IRB Approval Prior to Conducting Research Work

All faculties, researchers, Intern doctors and students concerned individuals are hereby informed that Institutional Review Board (IRB) approval must be obtained before starting the research work involving human participants, patient data, clinical samples, medical records, or any other human-related research activities at Monno Medical College and Hospital. No research study will be commenced, and no data or clinical samples will be collected, without prior approval from the Institutional Review Board (IRB) of Monno Medical College. All researchers are therefore requested to:

1. Prepare and submit the research protocol and all required supporting documents to the IRB before starting the study.
2. Obtain formal written IRB approval before recruitment of participants or collection of data/samples.
3. Ensure that the approved protocol is strictly followed throughout the research work.
4. Obtain prior approval for any subsequent amendments or modifications to the approved protocol, whenever applicable.

The IRB protocol, application forms, and relevant guidelines are available on the official website of Monno Medical College at: <https://monnomch.edu.bd/about-us/irb-committee/>

Completed IRB applications and required supporting documents should be submitted to following concerned person:

Dr. Tarana Jahan

Associate Professor, Dept. of Microbiology &
Member Secretary, Institutional Review Board (IRB)
Room No. 610 (6th Floor)
Monno Medical College, Dhaka
Email: tarana.nipa@gmail.com
Cell No.: 01684605056

All concerned are requested to strictly comply with this notice.

Prof. Dr. Md Abdul Karim
Principal
